Hello Detective Borquez,

Thank you for taking another look at this. I wanted to get you the therapist phone numbers right away, along with their place of business, and Web sites. The recordings will take us a few days to get them all on a memory stick and mail out. I could send out each one individually, but that will be a pain for you to deal with. The list of play therapists and witnesses is attached.

Sincerely,

Lesley [REDACTED]

Hi Detective Borquez,
I wanted to make sure you received my last email? It's showing up in my sent box, but I wanted to confirm. What address should I send the memory stick with recordings and all of the other therapy records? Thank you.
