Mr [REDACTED]

I have not received the memory stick yet. I spoke to the secretary earlier today and she indicated nothing had arrived for me. I'll check with her again first thing in the morning.

Thank you,

Detective Borquez,

Can you please confirm receipt of memory stick, which was delivered on Saturday via US Postal.

Thanks,

Detective Borquez,

I'm not sure if you received my last email, but I wanted to know how the investigation is going?

Mr. ,

I have the memory stick. Apparently, the post office put the envelope in the wrong box. The Probation Office received the item. They didn't open the envelope. I'll look at the items and complete a supplement.

Thank you,
