Mr. [Redacted]

One of my numerous duties is to oversee the Special Operations Bureau. I will be meeting with the Major Crimes Unit (Lieutenant Wilkins, Sergeant Parker and Detective Borquez) next week reference the new case information you have provided to CCSO. **It is our intent to bring this new information to the Cochise County Attorney's Office.** Lieutenant Wilkins or I will be in touch.

Thank you for looking into this. I think I remember working with Lt Wilkins back when he was a Detective and K-9 handler.
