Good Afternoon,

Thank you Detective Borquez for your response on the update of our case.

Sgt Parker,

I would like to know who is the new detective taking on our case now that Detective Borquez is no longer the case detective. Please have that detective call me at [REDACTED] so we can get this investigation moving again. I know there is a lot of information we provided Detective Borquez and also realize the new detective has a lot to digest and could probably use our help sorting out all the notes and details. We know only one witness has been interviewed, which is our children's current play therapist. The previous play therapist, occupational therapist, speech therapist, pediatrician, and family members who heard disclosures still need to be interviewed. This information was provided to CCSO January 28, 2020, yet

only one witness has been contacted in the last 37 days. Please let me know if there is something I have not provided that you need to move this case forward.

Thank you,

[REDACTED]
